Where do I start?

Rebecca has magic hands! The first time I met Rebecca, she put me right at ease, she has a natural ability to make you feel so comfortable. Plus, she is so funny her personality is literally amazing.

I had my make up set out in my own mind and Rebecca was able to do exactly what I asked for. As we all know brides have so much going on at once and I started to second guess everything, literally everything, but Rebecca made me feel so calm the second I spoke with her at my trial she was so reassuring and comforting.

On the day of my wedding, I literally felt like a true princess, as every bride should on their own special day. I was obsessed with my make up, as well as my Bridesmaid's and Mummy's make up. We all looked flawless!

I couldn't have had anyone better than Rebecca to be such a massive part of my special day she really was amazing. Anyone who has had the pleasure of having Rebecca with them they will truly understand, and future brides will never need to worry as they are in the best hands ever.

Rebecca, thank you so much for making me and my girls all feel like princesses for a day.

I first met Rebecca when she was the makeup artist for my sister's wedding. I knew from then that she was the person I wanted to have with us on such a special morning as my own Wedding Day.

Not only is Rebecca a master of her craft, she is hilarious to be around while also being a kind and calming influence. Rebecca goes above and beyond in all she does and as a family we were so lucky to have her with us for the beginning of two amazing days.

Rebecca's work is top class.

We got married on the hottest day ever recorded in N.I. and our make-up still looked fresh at the end of the night!

Everyone commented on how beautiful and natural we looked. Rebecca is great to chat to, efficient in her work and a lovely person to have getting you ready on your wedding morning.

Thank you so much Rebecca!

Rebecca did the hair and makeup for my wedding, and I was absolutely thrilled!

The makeup itself was gorgeous, exactly what I asked for and better! She was so fun to chat to, and kept me calm and able to enjoy the day.

I would definitely recommend Rebecca; I was over the moon with the results.

Rebecca did my makeup, my Mum's makeup and all three of the bridesmaids' makeup the morning of the wedding. I would definitely recommend Rebecca. She was amazing right from the beginning, and she made us all feel a million dollars.

We absolutely adored our makeup both for the wedding day and for the trial. She totally knew what would suit each of us and had everyone smiling once their makeup was done.

The morning of the wedding she added a sense of calmness and fun; I don't think that I will ever forget singing Beyonce with my makeup artist the morning of my wedding. If only you could have Rebecca round every morning to do your makeup!!!
